

# PROCUREPOINT PARTNERS

## Great **Relationships** Make A Great Company

For over a decade, our partners have developed strong, interdependent relationships with large retail buyers across the United States. **Brands both large and small** rely on us to position their product lines with optimal precision. Retail buyers consistently utilize our vetting expertise to source excellent products.

Our clients look to **our retail team's industry aptitude** to ensure their product line has the best chance of success when being presented & reviewed by our retail buying partners.

ProcurePoint prides itself on its ability to craft persistent, targeted retail strategies unique to each client. Rely on ProcurePoint to put you in touch with the **right buyers, at the right retailers, at the right time.**
